Dear Ms Wirick,

Evangeline Parish Sheriff's Office is proud to be a partnered member of the Evangeline Consortium for Our Children's Health (ECOCH) in submitting the proposal, Project Save Evangeline's Children (SEC), to the Health Resources and Services Administration in response to the Notice of Funding Opportunity "Rural Communities Opioid Response Program - Child and Adolescent Behavioral Health" (HRSA-23-041, CFDA 93.912).

Roles and Responsibilities:

- Manage and collaborate training for law enforcement

Staffing Plan:

Expertise: Criminal justice

Evangeline Parish Sheriff's Office is committed to the full length of the project (four years).

Evangeline Parish Sheriff's Office understands that the RCORP-Child and Adolescent Behavioral Health award is to be used for the activities proposed in the work plan that these activities must exclusively benefit populations in the target rural service area; and that the award is not to be used for the exclusive benefit of any one consortium member.

Evangeline Parish Sheriff's Office further commits to sharing accurate performance data and information with the Evangeline Mental Health in accordance with HRSA's reporting requirements.

If awarded, Evangeline Parish Sheriff's Office commits that the activities under the award will exclusively target populations in the target rural service area.

If awarded, Evangeline Parish Sheriff's Office will sign a memorandum of understanding/agreement within 90 days of the project start date, formally establishing the consortium.

Regards,
